Treasurer's report for the Annual General meeting held at Leasowe Community Centre on Thursday 24th October 2019.

The attached accounts have been audited for the period

1st April 2018 to year-end 31st March 2019.

I present these accounts to the AGM as a true record of the financial activity of the Leasowe Play Youth & Community Association for the period in question.

Activity:

Over the year, it has been relatively quiet compared with recent years, with the Autumn Club being the major group at the community centre.

Overall, we have seen a deficit of operating income over the period of £4,984 compared to £3,809 surplus the previous year. This has been mainly attributed to the loss of funding for the Autumn Club from Wirral Borough Council. We have tried to maintain a regime of prudent scrutiny of all expenditure throughout the year; this deficit was inevitable due to the continuing financial austerity measures which we have seen instigated by many and varied organisations including Wirral Borough Council which prevailed during the year. It is becoming ever increasingly difficult to attract funding for organisations such as ourselves.

The Autumn Club:

This is now the biggest user group attached to the association. It was funded through a grant from Social Services (WBC) along with fund raising activities throughout the year. We have three volunteer staff who attend the club three days per week providing a volunteer service to the over 55's. This one activity employs a lot of my time each week. For this financial year, Wirral Borough Council ceased to fund our activity permanently. The council expected us to maintain or improve on the service delivery to our clients through fund raising activities and, in my opinion, did not show any concern for our client's if the Autumn Club ceased to operate. It is with the backing of the management committee, Tina Amis and her band of volunteers that we have maintained the service delivery of the Club albeit at a loss during the first year without funding. This will be looked at in the new financial year and I am sure given the drive and commitment enough funds will be raised to continue operating for the coming year. The aim for the new financial year is to break even on the operating costs for the Club in 2019/20.

During the financial year we saw a total income of just over £5,795, this is the fund raising achieved in the year to operate as a luncheon club.

I must at this stage express my gratitude and sincere thanks to Tina Amiss and her band of volunteers for the tremendous hard work they have all put in over the past year. There is no doubt that this team bring stability to the club, which in the past has been difficult. The new financial year will be a challenge for us all if we do not attract funding to provide the service.

Adventure Playground:

Danny McGarry and his staff continue to operate throughout the year without any difficulty and do not present any issues to me during the year! Most (if not all) of the activities by the adventure playground are funded through grant applications applied for by Danny and his team.

I wish to express my gratitude and sincere thanks to Danny, his staff and volunteers, for the tremendous hard work they have all put in over the past year. The adventure playground continues to provide a valuable service to the children of Leasowe.

Community Centre Hire:

Over the year the community centre hire is one area we had to become more business-like in order to generate an income.

With this in mind a set of charges were set and adhered to; over the financial year we saw an income of over £1,358 for the year, this is just over £2,100 decrease on the previous year. This large reduction is mainly due to organisations withdrawing from hiring the centre especially in the winter; it is during the winter that anti-social behaviour increases with youths hanging around the centre which puts people off hiring the centre. It is my view and recommendation that we still maintain a focus on community centre hire charges in order to maintain some form of income during the new financial year.

Recommendations:

- Given the amount of work auditing the accounts and the reasonable cost, we continue for the
 next year with our auditor. (Mr. S. Eyre). The audited accounts have been a mainstay over the
 years for our grant applications; they are accepted by organisations but more importantly, the
 Charity Commission approves them. Given the excellent working relationship built up over the
 years with Steve Eyre, it would prove expensive for ourselves at a time we can least afford it.
- Given the expected impact on our services for the coming financial year, I would recommend that we continue to maintain an operating fund from our reserves if the Council proceed with ever demanding austerity measures, it is my view that we are under ever more scrutiny and in 2019/20. I would recommend that we ring-fence the figure of £20,000 from our reserves in order to operate the centre for a period of 3 months if we are given notice of funding being terminated or the centre closing.

Finally, I must thank all the staff from the association for all their help and assistance over the past year, thanks also to all the volunteers, without their commitment and dedication, we would not be able to provide the services to the people of Leasowe. I would also thank my fellow committee members, for all their help and support during the past year.

I close my report knowing that the next 12 months will be a tremendously hard time for all concerned, the staff of the Adventure Playground, The Adventure Playground and Community Centre. I have no doubt in my mind that the coming months will be as challenging for us all.

Within the accounts there are the following restricted funds which are held on account by the management committee for umbrella groups affiliated to the LPYCA. The amounts are as follows:

Restricted Funds:

•	Youth Grant	£	951.23
•	Digital Media Project	£	680.00
•	Rose Garden Project	£5,	022.00
•	Maintenance	£1,	987.00
•	Ring-fenced funding	£20	,000.00

TOTAL: £28,640.23
